## SAWING VISE

**SKU:** SVC642

**Product Categories:** [Tools](#)

**Product Page:** <https://www.malonespecialtyinc.com/product/sawing-vise/>

### Product Summary

Part Number: SVC642

The sawing vise bolts to a table top.

A length of tubing (from 6mm to

42mm O.D.) is inserted in the vise

and clamped. Use a fine tooth  
hacksaw in the guide to cut the  
tubing length. A straight cut is  
produced which is essential for a  
proper seal.

## Product Description
